VISIONS

*People hand in hand
Have I lived to see the milk and honey land?
Where hate's a dream and love forever stands
Or is this a vision in my mind?*

*The law was never passed
But somehow all men feel they're truly free at last.
Have we really gone this far through space and time
Or is this a vision in my mind?*

*I'm not one who make believes
I know that leaves are green
They only turn to brown when autumn comes around
I know just what I say
Today's not yesterday
And all things have an ending*

*But what I'd like to know
Is could a place like this exist so beautiful
Or do we have to find our wings and fly away
To the vision in our mind?*

PROM

The class of '75 honored the seniors with a prom entitled "Let The Good Times Roll," based on the 1950's. The evening started out with a reception followed by a banquet. Here the Seniors were given momentos of their high school years. Immediately following the banquet a dance was held with music provided by "Majik Dayze." The movie "Blazing Saddles" was seen, and bowling was enjoyed by all. A wonderful evening ended with breakfast back at school.
